**PROGRAM:** 8:45 breakfast

14:30 afternoon program (team training, running...)

16:00 afternoon training

18:15 dinner

19:45 training (by appointment possible without preschool children)

22:00 party pupils (23:00 party juniors)

If your child knows how to recognize the right and left, knows the lessons, has basic hygiene habits and is able to communicate basic with the teacher (eg to announce that he is sick) - it is not a problem for him to manage camp himself. For young children, we recommend the participation of a parent, rather than the long-term and crying daily phone calls home, which is technically and difficult to make here. Parents must encourage direct communication between the student and the teacher.

We ask all members ( parents also prefer preschoolers ) to find at least two days to check and take the exams. The child will be admitted to the training camp only healthy (no temperatures, coughing...). Trips outside the TKD center will be limited and the buildings will be equipped with disinfectants and plenty of soap. Nevertheless, we also recommend bringing enough of your own drapes, soap and disinfection. Members will be accommodated according to training (age) groups. The stay of non-trainers will be minimized in the area.
